

ELECTA

A Star in the City

ELECTA is the System Quattro ideal for **city life**: incredibly light, it can be taken anywhere without ever compromising the baby's comfort.

WE SUGGEST IT FOR:

Those who need to optimise space and are always on the go.

APTICA

The Glam Crossover

APTICA is the System Quattro with an unmistakable **glamorous style**: exceptionally comfortable and refined, with sophisticated details.

WE SUGGEST IT FOR:

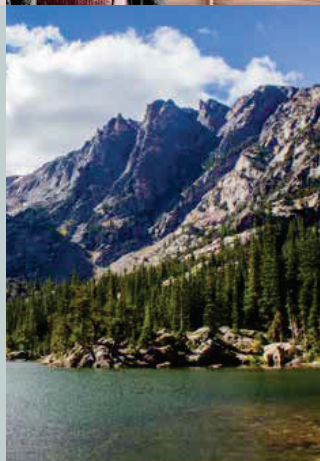

Those looking for style and versatility of use.

APTICA XT

Adaptive Cruise

Thanks to the exclusive Adaptive Cruise System, **APTICA XT** is the System Quattro that adapts to all terrains and to your child's growth, always guaranteeing maximum comfort and agile, fluid handling even in the most **extreme conditions**.

WE SUGGEST IT FOR:

Those who love nature and off-road walks.
